REPORT

Name of the Program: Awareness Program on Online Cheating

Vennu:B. Pharmacy 1st Year Class Room

Number of students attended: 81

During the address, the sub inspector of police would have focused on raising awareness about the risks and consequences of online cheating. They have discussed various types of online scams, fraudulent activities, and the importance of being cautious while sharing personal information online. In addition, the sub inspector of police has highlighted the issue of cheating through loan apps, which has become a concern in recent times. They would have educated students about the dangers of falling into the trap of fraudulent loan apps and the legal implications associated with such activities. Furthermore, the sub inspector of police has addressed the topic of infatuation during college days. They might have emphasized the importance of maintaining healthy relationships, respecting boundaries, and being mindful of the potential consequences of obsessive or unhealthy infatuations. By addressing these topics, the police aimed to equip students with the knowledge and tools to protect themselves from online scams, fraudulent loan apps, and potential emotional pitfalls during their college years. Overall, the sub inspector of police addressed to students regarding online cheating, cheating done by loan apps, and infatuation during college days would have provided valuable insights and guidance to help students navigate these challenges and make informed decisions.

Report on one day workshop on Pharmacist as software developers

Name of the Programme:One day Workshop on Pharmacist as software developers

Resource Person : Mr. BhanuCharan
CEO
Happy Business Company.

One day Workshop on Pharmacist as software developers conducted by Vaagdevi Pharmacy College, Bollikunta, Warangal on 10th June 2023, **Mr.BhanuCharan**, CEO, Happy Business Company was the Resource Person. He gave a brief introduction on software and explained the various aspects related to usage of software in pharmaceutical field. The session was handled by Dr. Mahesh Chidara, Associate Professor, Department OF Chemistry, Vaagdevi Pharmacy College.

The workshop proved to be an insightful forum for discussion of use of software in pharmaceutical industries. The Pharmacy Management System automates calculations in terms of purchases and accounting. Not only that, it automates the transfer of processes or modules. Thus, it minimizes errors across records. Resource Person interacted with the students and made the session interactive by providing small modules and assignments which was evaluated by the end of session. The session concluded with vote of thanks by Mr. R. Shiva kumar
